Empire Rose, presented by EY certainly delivered as promised to a sellout audience of State and International fashionistas. Designer Katherine Czeika told fashion enthusiasts to expect the unexpected and all I can say is what was said through out the show, "WOW". The runway opened with a bedazzled Parisian atmosphere of colours, lights and flashing shapes synonymous of urban Paris overshadowed only by the brilliant designs of "Empire Rose". Loyal followers were indeed treated to a double display of brilliance on the second night of 2015 Telstra Perth Fashion Festival with models walking in pairs as twins holding hands in a never seen before energy plus show.

Some of the passing comments included "Ten out of Ten", "Fantastic", "Best Night Ever" "Perth you nailed it." Family of the late Heath Ledger sat front row whilst Niece's to the late heath took to the runway. . 11 years old twins Rorie and Scarlett closed the show captivating the audience to an amazing applause. Sam Underwood once said, "The special relationship between twins is that, if there's anyone else in the world that's going to get or be the confidant that you need, it's an identical twin."..
